Midwest® Carbide Burs

Midwest® is America's leading brand of carbide burs, providing the highest quality rotary cutting instruments to the dental industry for nearly half a century.

Midwest Once® Sterile

Many Operative, Oral Surgical and Trimming & Finishing shapes and sizes are available pre-sterilized for convenient single-patient use.

Operative Pages 11-14
Exceptional cutting performance. Extensive selection of shapes and sizes in familiar configurations to meet your clinical needs.

Oral Surgical Pages 15-16
Superior, precision ground cutting edges for efficient and consistent cutting performance. Ideal for cutting through bone and sectioning teeth.

Trimming & Finishing Pages 17-18
Custom blended tungsten carbide, sintered and precision ground for superior cutting edges and striation-free surfaces.

Esthetic Finishing Page 19
Premium finishing burs, delivering the ultimate surface finish for great esthetic results.

MultiPrep® Premium Page 20
Maximum density cross-cut burs for smooth and precise cutting of cavity preparations and all types of restorative materials.

Midwest® Diamond Burs

From Ultra Coarse to Ultra Fine

Midwest® diamonds are available in seven grit levels, ranging from Ultra Coarse (diamond particles 149-177 microns in size) through Ultra Fine (6-12 microns).

- ○ Ultra Fine

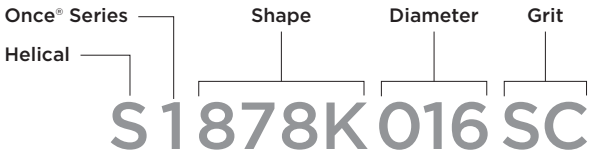
Midwest Once® Numbering System



Diamond Bur Recommended Working Speeds

NOTE: Exceeding recommended working speed will result in excessive vibration and noise.

Bur Head Diameter (1/10 mm)	Recommended Working Speed (RPM)
007 – 010	100,000 – 220,000
011 – 014	70,000 – 220,000
015 – 018	55,000 – 160,000
019 – 023	40,000 – 120,000
024 – 027	35,000 – 110,000
028 – 031	30,000 – 95,000
032 – 040	25,000 – 75,000
041 – 054	15,000 – 60,000
055 – 070	12,000 – 40,000
080 – 100	10,000 – 20,000

Multi-Use Diamonds

Midwest® Diamonds are manufactured with natural diamonds, which provide more cutting surfaces than synthetic diamonds. They feature multiple, evenly distributed layers for optimum concentricity and reliable cutting, use after use.

5 per pack | FG shank; FGSS shank as noted

Midwest Once® Sterile Single-Patient Diamonds

- Improve infection control — individually packaged and sterile.
- Save time and money — no need to clean and autoclave.
- Always sharp, so you're always working at optimal cutting efficiency.

25 per pack | FG shank; FGSS shank as noted

Midwest Once® Helical Sterile Diamonds

- Clear diamond-free channel for optimal debris collection and removal.
- Unobstructed path aids water cooling.
- Specially treated diamond grit for efficient, smooth cutting.

25 per pack | Super Coarse Grit | FG shank

Terms and Conditions of Sale

All prices stated are in U.S. Dollars, and are subject to change without notice. All sales are subject to approval and acceptance by Dentsply Sirona and are made F.O.B. shipping point. Shipments pursuant to purchase orders instructing Dentsply Sirona not to insure will be shipped at your risk. Shipments pursuant to purchase orders with no insurance instructions will be shipped at your risk. Safe shipments by motor freight or express made on bills of lading are the responsibility of the transportation company. In the event of loss or damage, claim should be made direct to the transportation company pursuant to instructions in the notice attached to the packing slip. Minimum order value is $100.00 U.S.

Credit Information

Distributors will provide a most recent balance sheet, income statement and such other information reasonably required by Dentsply Sirona to evaluate the credit worthiness of the distributor within fifteen (15) days after receipt of any request for such information from Dentsply Sirona.

Items Returned for Credit, Exchange, Service or Repairs

Dentsply Sirona customers desiring to return unused products or parts must receive a RETURN MATERIALS AUTHORIZATION (RMA) number from the Dentsply Sirona Customer Care Department (see phone numbers below) prior to shipment. This RMA number must be referenced in correspondence accompanying the returned products and noted on the outside of the shipping carton. If products are shipped without an RMA, they will be returned to the customer. In addition, the following terms and conditions apply to all returns:

1. All products returned for credit or exchange must be of current design in the original, unopened, sealed package and in sellable condition. Damaged, opened, outdated, obsolete, used or "demo" products, or products and parts purchased more than 6 months prior to the current date are not returnable for credit or exchange. Pharmaceutical products are not returnable except for credit in the unlikely event of a product defect or shipping error.
2. A copy of the original invoice must accompany all product returns for credit or exchange. Products returned must include Dentsply Sirona customer number, RMA, billing name, address, phone number, a copy of the original invoice, lot numbers, product descriptions, and reason for return.
3. Any credit applied will be based on the original invoice price.
4. Subject to the above, products returned are subject to a minimum 20% restocking charge. Products will not be accepted for return credit or exchange beyond 6 months from the original invoice date.
5. Final approval for replacement or credit is at the sole discretion of Dentsply Sirona.
6. Transportation charges both ways must be paid by the customer or distributor on products, parts or accessories returned for credit or exchange, regardless of the warranty period.
7. Any parts or products which fail in service more than 30 days after date of installation will be repaired and returned in accordance with the terms of the product warranty. If a product fails after 30 days it should be returned to Dentsply Sirona for repair.
8. All authorized returns for credit, exchange or repairs, MUST be shipped to the appropriate address below. Items sent to any other destination will be subject to additional freight charges.
9. No credit will be issued for expired products.

Terms of Settlement

Statements are rendered monthly and payment in full in U.S. funds is due within 30 days of date of invoice at the customers assigned address: Dentsply Sirona, Dept. DNA, P.O. Box 822462, Philadelphia, PA 19182-2642 or Dentsply Sirona, Dept. DNA, P.O. Box 536935, Atlanta, GA 30353-6935 or Dentsply Sirona, Dept. DNA, P.O. Box 31001-1205, Pasadena, CA 91110-1205. If payment has not been received by the 30th day , a monthly service charge of 1.5% will be charged to the account. All payments will be applied against the oldest balance first, and then any excess will be applied to the current month balance. Payments made by credit card will be charged the full amount due. All orders accepted for future delivery will be billed at prices prevailing on date of shipment. Products made up of multiple components must remain intact until delivered to the dental office or laboratory. Manufacturer reserves the right to change design or construction of its products without prior notice or obligation. Any parts or products which fail in service under warranty, will be repaired and returned in accordance with terms of the product warranty. Failure from improper maintenance or abuse is not covered by warranty.

Replacement Turbines	
Midwest Phoenix®	12 months
Midwest Stylus® Plus	12 months
Midwest Tradition® Coupler End	12 months
Midwest Tradition® Fixed End	6 months
Midwest Quiet-Air®	6 months

Midwest® products are guaranteed to be free of defects in material and workmanship, provided they have been used and maintained as prescribed in the Instructions for Use, at the discretion of Dentsply Sirona, and have not been subject to apparent misuse, abuse or accident. All questionable, defective or loose parts must be returned with proof of purchase, transportation prepaid. Not following the provided instructions for Installation, Operation and Maintenance will void the warranty. There are no warranties, express or implied, which extend beyond the description of the face hereof. Dentsply Sirona neither assumes, nor authorizes any person to assume for it, any other liability in connection with the sale or use of its products. Damages are limited strictly to repair or replacement of parts. Dentsply Sirona expressly disclaims liability for incidental and consequential damages resulting from the use of its products. Claims covered by warranty will be honored when presented through your Dentsply Sirona distributor within 30 days from discovery of defect within the applicable warranty period.

Warranties exclude consumables, such as cleaner spray, absorbent pads, gaskets, rubber parts, seals and O-rings, etc.

Dentsply Sirona reserves the right to change design or construction of its products without prior notice or obligation. All goods will be billed at prices in effect at date of shipment. Prices are subject to change without notice.
